

GERMANY AGREES TO ALLIED TERMS IF FOOD ASSURED

Imposing Conditions on Acceptance That Are Far-Reaching And Are Being Considered By Premiers.

GERMANY IS ANXIOUS FOR RAW MATERIALS

Wants Mixed Commission To Investigate Food and Housing Conditions.

Also Wants Distribution of The Silesian Coal.

(By Associated Press.)

Spa, Belgium, July 15.—Germany today notified the allies her cabinet had agreed to the allied demand for the delivery of 2,000,000 tons of coal monthly and under three essential conditions and other minor conditions. She also stipulated she must receive raw materials.

The German acceptance was embodied in a note laid before the allied premiers this noon by Premier Lloyd George. The essential conditions named were these:

First: The German Government to have the distribution of the Silesian coal or be allotted 1,500,000 tons monthly for northern Germany.

Second: A mixed commission to be sent to Essen to examine food and housing conditions.

Third: The allies are asked to advance money or provide credit for importing additional food for the entire German population.

The allied prime ministers discussed the German communication for two hours and then took a recess until 3:30 p. m.

No announcement was made to the allied attitude with regard to the German conditions but it was understood the chief question was whether Germany should receive the difference in cash between the price of coal at the pit mouth in Germany and the world market price. The French delegates strongly objected to this.

IS REAPPOINTED BY GOVERNOR

(By Associated Press.)

Columbus, O., July 15.—John L. Miller, democrat, Van Wert county, was re-appointed State Superintendent of Public Works today by Governor Cox. The appointment is for one year. It was the sixth time Miller has been appointed head of this department.

NOTIFICATION IS AT DAYTON

(By Associated Press.)

Columbus, July 14.—Governor James M. Cox today fired the first volley of the campaign at his republican opponent, Senator Harding, announced definitely that the official notification will be held at Trail's End, Dayton, and announced that the Democratic National Committee will meet in Columbus July 30 instead of in Dayton.

URGE MOORE BE RETAINED CHAIRMAN

Governor Cox Being Urged To Retain E. H. Moore As Campaign Manager.

Marietta Leader Insists Moore Logical Man for the Place

(By Associated Press.)

Columbus, O., July 15.—Pressure is being used by political friends of Governor Cox on E. H. Moore, the Governor's pre-convention campaign manager, to have him accept the chairmanship of the Democratic National Committee and assume active management of the national campaign.

Former Congressman George A. White, of Marietta, returning from San Francisco where he worked with Mr. Moore in the Governor's behalf, breakfasted with Governor Cox this morning. Mr. White said he tried to impress upon the presidential nominee the necessity for having Mr. Moore manage the campaign and urged him to use his influence in an attempt to dissuade Mr. Moore from adhering to his desire to step aside for some other person.

Governor Cox still refrained today from commenting on the third party. He smiled when informed that an Ohio man had been nominated for vice president by the third party.

Officers of the National Woman's Party began to arrive today for the conference at two o'clock tomorrow with Governor Cox in an effort to have the Governor use his influence to obtain ratification of the suffrage amendment by Tennessee.

CONVENTION IN AUGUST

(By Associated Press.)

Columbus, O., July 15.—W. W. Durbin, of Kenton, Ohio, chairman of the democratic state executive committee, upon his arrival here today announced that the democratic state platform convention in Ohio would probably be held within a week after the state-wide primaries, August 10.

Main Sail of Resolute Rendered Useless by Parting Halyard And She Loses Lead.

(By Associated Press.)

Sandy Hook, N. J., July 15.—A young armada gathered off the Hook today for the first America's Cup race in 17 years.

Private craft, excursion boats and airplanes speeding southward across New York bay found two sloops that are the pride of Great Britain and America—Shamrock IV, challenger, with sleek green sides and Resolute, defender, dazzling in her coat of white.

Aboard them were Captain William P. Burton and his crew of British tars and Captain Chas. M. Adams, of Boston, with his Yankee sailor band. The start was set for noon from the Ambrose channel lightship.

Both skippers were hopeful of bringing the races to a quick and decisive close with three straight victories but both were prepared to sail five races and to start all over again another day if a race was declared off because the yacht failed to finish within the six hour limit.

SHAMROCK WINS

(By Associated Press.)

Sandy Hook, July 15.—Shamrock IV, challenger for the America's cup, kept on for the finish in the first race of 1920 after Resolute had withdrawn because of broken halyards.

If the challenger does not herself withdraw and she

finishes within the six hour time limit she will be today's victor.

RESOLUTE HAS FATAL MISHAP

(By Associated Press.)

Sandy Hook, July 15.—Resolute, defender of America's Cup, parted her throat halyards which support her mainsail while leading Shamrock IV by about a half a mile to the turning point in today's race of the 1920 series.

Resolute turned the outer mark at 2:52:34 headed back for the finish, a run of 15 miles with her two head sails drawing. Her crew meanwhile made every effort to replace the broken ropes.

KEEPS SAILING

Sandy Hook, July 15.—Turning the mark at 2:57:38 Shamrock IV passed the almost sailless Resolute at 3:00 o'clock. Her skipper, Captain Chas Adams, gamely kept her sailing.

SPEECH READY ON SATURDAY

(By Associated Press.)

Marion, O., July 15.—Another quiet day was in prospect when Senator Harding resumed work on his acceptance speech today.

No visitors were expected and he planned to devote most of his time to it, in the hope of having it ready to turn over to the news services on Saturday for distribution to the newspapers of the country.

PLANES NOW ON THE WAY TO ALASKA

Four Army Planes Leave On Difficult Trip

Start From Mineola on 9,000 Mile Trip to Nome, Alaska, And Return.

(By Associated Press.)

Mineola, N. Y., July 15.—Four army airplanes comprising the Alaskan flying expedition, left Mitchell Field, Long Island, at 12:35 o'clock this afternoon on a 9,000 mile round trip flight to Nome, Alaska, one of the longest and most difficult air trips ever attempted in the western hemisphere.

The expedition, which is headed by Captain St. Clair Street, U. S. Air Service, is expected to make the pioneer trip to Nome and return in about 45 days.

The flight is to blaze the way for an aerial route to the northwest corner of the American continent and for possible military use.

On reaching its Alaskan destination the expedition will fly 100 miles to Cape Prince of Wales, which will bring it within 50 miles of the continent of Asia.

BABY CHIMPANZEE FIRST BORN IN U. S.

New York, July 15.—(Associated Press.)—Suzette, formerly famous star chimpanzee actress, now an inmate in the Bronx Zoo, today is the fond mother of the first infant of the species ever born in the United States, and the second born in captivity. After Roma, the proud father of the babe, was induced late last night to cease his hysterical yelping in celebration of the event, physicians in charge reported today that both mother and babe were resting peacefully.

Salt Lake City Attorney Heads "Farmer Labor Party."

(By Associated Press.)

Chicago, July 15.—A part of the Committee of Forty-eight National Convention, called to create a new party, reconvened today following the formation of the Farmer Labor Party last night, and considered whether to organize still another party. J. A. H. Hopkins, national chairman of the Committee of Forty-eight, suggested that course.

With LaFollette eliminated the convention after an all day and night session showed Parley Parker Christensen, Salt Lake City attorney, and Max S. Hayes, Cleveland labor leader, its presidential and vice presidential nominees respectively.

In the debate following the proposal to form another party Richard Potts, of Texas, announced that he "got everything he wanted" at the Farmer Labor Convention and led a bolt from the hall.

"Will you support us if we nominate LaFollette and W. J. Bryan here?" Potts was asked.

"No I won't!" Potts retorted, "Christensen is better."

WHEAT FUTURES START AT \$2.75

(By Associated Press.)

Chicago, July 15.—Prices started lower than expected today for future deliveries of wheat, the first of such prices quoted in nearly three years.

December delivery opened at \$2.72 to \$2.75. Estimates by traders before hand were that the initial figures would be about \$2.80.

WILL REORGANIZE NATIONAL GUARD

Maj. Gen. Jesse McCarter, present chief of the militia bureau of the war department, will have charge of the work of reorganizing the bureau which under the terms of a recent act of congress will be entirely reorganized January 1, 1921. The president is authorized to appoint as chief of the bureau an officer of the national guard not below the grade of major who has had ten or more years' commissioned service.

WASHINGTON'S CHAUTAUQUA IS NEARING AN END

Gifted Vocalist, Violinist And Pianist Please Big Audience Wednesday Night.

Real Funny Man Furnishes Last Entertainment On Thursday Night.

Wednesday, the sixth day of the Coit-Alber Chautauqua in this city was Grand Concert Day and marked the appearance of Miss Jessie Isabel Christian, Prima Donna Soprano of the Chicago Opera Association. In the opinion of many in the audience it was one of the very best entertainments of its kind ever heard on the Chautauqua platform in this city.

Assisting Miss Christian were Miss Geraldine Edgar, violinist, and Robert MacDonald, pianist, both finished artists, whose perfect interpretation of their numbers and their accompaniment to Miss Christian added much to the concert.

With Miss Christian taking the leading role on the program that had been arranged with careful thought and with a view to bringing out some of the best work the artists could

product, Miss Edgar with violin and Mr. MacDonald at the piano were given prominent position in the manner of entertainment and each was afforded opportunity to appear singly before the audience, each time drawing rounds of applause.

Miss Christian's program was particularly difficult and consisted of a varied arrangement, but the voice of the great soprano was at its best and the audience was most genuinely pleased with each number.

It was the consensus of opinion that Miss Christian's work was among the most notable ever heard in the city and her part in the 1929 Chautauqua Season will be remembered as a feature in Chautauqua circles.

The program in detail follows:

Thursday brought the end of the chautauqua near at hand with a full program carried out in all departments. The Junior Chautauquans rehearsed their play for the final time under direction of Miss Burke. The play was presented at the afternoon performance and the "Mother Goose Party" and "Athletic Stunts" by the boys and girls of junior town was a pleasing part of the Chautauqua program.

The second half of the afternoon program was given by the Cambria Welsh Glee Singers who remained over for the night performance.

Herbert Leon Cope, humorist and philosopher, and hailed as the funniest man since Bill Nye, will deliver his lecture "Family Remedies" at the concluding entertainment Thursday night. He is one of the ablest men appearing on the week's program and has an inexhaustible supply of high class humor.

PITCHER FOR TIGERS IS FORMER LEAGUER

Al Leak, of Dayton, who twirls for the Dayton Triangles and who has pitched on several occasions for the Jeffersonville Tigers, once against the Washington Athletics, has a record in the big leaguers that stands high in baseball annals.

He is a veteran in the national game having played with Toronto, in the International League; with the Chicago Nationals; Toledo, in the American Association and Sacramento, in the Pacific Coast League.

His arm has long since lost the strength that placed him in the big league but his head more than makes up for the crimp in his pitching fingers that advancing years have brought. Jeffersonville pays this old timer a handsome salary to work on the slab and his effectiveness, even when playing with a club of the small town caliber, is shown by his recent game with the Athletics when he was beaten 2 to 1.

WAR INSURANCE BUREAU DEFINES NEW CONDITIONS

Former soldiers, sailors and Marines, who saw service in the World War and carried war risk insurance, will be interested in a ruling by the Bureau defining new conditions under which lapsed or cancelled war risk insurance policies may be reinstated by the former service men.

Under the ruling applications for reinstatement made within 18 months of discharge and prior to January 1, 1921, need only be accompanied by two months' premiums and a statement that the applicant is in as good health as in date of discharge or resignation. No medical examination is required.

After January, 1921, and until July 1, 1921, in cases where insurance lapsed or was cancelled prior to July 1, 1920, regardless of length of time since discharge, the applicant must forward two months' premiums and also the report of a full medical examination made by a licensed physician at the applicant's expense.

Insurance lapsing or cancelled after July 1 may be reinstated on statement of physical condition within three months; after three months and within six months the application for reinstatement must be accompanied by a short medical examination certificate and after six months and within 18 months by a full medical examination certificate. In all cases two months' premiums must accompany the application for reinstatement.

CEMENT SHORTAGE TIES UP WORK

VISITING IN OHIO AFTER FORTY YEARS

Coming back to their former home after an absence of forty years Mr. and Mrs. Foster McMullen, of Des Moines, Iowa, are hardly able to recognize their former scenes of youth which they left when they went to the west in 1880.

Mr. and Mrs. McMullen are visiting old friends of their boyhood and girlhood days in Fayette and Madison counties and Wednesday spent the day in this city.

Mr. McMullen states that the old west has passed and that the changes taking place in his state are even greater than the changes which have transpired in Ohio during the four decades. The distances of the west have been bridged by the telephone, the railroad, and most important of all, the automobile. The markets of the city have extended into the farthest depths of Iowa through the agency of these three comparatively recent inventions and the tillers of those farm lands are on a par with those of the east, says the former Buckeye.

HAD TO HOLD TO SIDE OF BED ON RISING MORNINGS

Back Hurt So Bad Could't Straighten Up Until He Had Walked Around a While. Athens Man's Kidney's Gave Much Trouble But Dreco Set Them Right Again.

"Many a morning I've had to hold to the side of the bed in order to get up, then walk around for a while before I could straighten up," said Mr. Albert Logan, who is a farmer living near Athens, Ohio.

"For five years I've been in miserable health. My kidneys were weak and I'd be up five and six times during the night from them. I had terrible pains in my back, my liver was lazy, and I'd get so dizzy sometimes I'd have to stop a few minutes till it passed off. My stomach was also out of order and often swelled up like an army balloon from the gas in it. I was constipated and so nervous I couldn't sleep much.

"Things are different now, though, for I jump right out of bed into my clothes, and ready for a big breakfast. Don't have to get up during the night single time; bowels acting regularly; no more dizzy spells, and I sleep like a log. All this change was brought on by taking Dreco, and I think it is the greatest medicine I ever saw."

The good old-fashioned roots, herbs, barks and leaves, like our fore fathers, brewed their teas from and raised a hardy race of people, are still recognized as the remedies for the stomach, liver, kidneys, bowels and blood. Dreco is made from twelve herbal plants, and its action is prompt, and pleasant for man, women and child.

All good druggists now sell Dreco and it is being especially introduced in Washington C. H. by Frank Christopher.—Adv't.

SUMMARY FOR WHEAT AND CORN REGION SECTIONS

Columbus, O., July 15.—Showers have fallen since yesterday morning over east Kansas and south and east Nebraska and eastward between the Ohio River and the southern Lake Region, except in portions of southern Illinois and southeast Missouri; also showers have occurred over most of Minnesota. The amounts varied greatly but were heavy to excessive over most Indiana and over limited areas in each of the other states. The warm wave has been broken from the Great Lakes westward but the temperature is still high to the south. Moderately cool weather is now indicated for most of the region.

The weather of the week was generally favorable to plant growth but more warmth and sunshine are now needed. The frequent moderate to heavy showers of the week considerably delayed field work, even causing some damage from flooding to crops on lowlands in northern sections. Corn grew rapidly though many fields are becoming quite weedy and the need of cultivation is now very general. Wheat is ripening rapidly and harvesting is nearly completed in some, and is well advanced in all southern counties, and is underway as far as possible in central counties. Oats are doing well and are just beginning to show color in some southern counties. Pastures, meadows, gardens and fruits are good to excellent. Tobacco shows a good stand but is backward for the time of the year.

The summary of weather and crop conditions in the corn and wheat region for the week ending July 13, 1920, as announced from Washington, D. C., July 14, 1920 is the rainfall of the week was moderate though sufficient for crop needs in most sections east of the Rocky Mountains and vegetation generally made satisfactory advance although locally the rainfall was too heavy in portions of the southeast and considerable damage was caused by hail in various sections. Excellent progress was made with farm work except in some north-central and northeastern states where interrupted by heavy rains. Corn made good to very good growth in the principal corn growing states despite the rather cool temperature except in the extreme lower Ohio Valley where it was unfavorably affected by lack rain. The harvesting of winter wheat advanced during the week nearly to the northern limits of the belt under generally favorable weather conditions except in upper Ohio Valley where it was delayed by heavy rains; the weather was also favorable for thrashing except where delayed from the same cause in the extreme lower Plains States. Spring wheat continued to make satisfactory progress except in some eastern portions of the belt where there was too much rain while more rain is needed in some extreme western portions. Oats, barley, other small grains, also potatoes, truck crops, meadows and pastures were favorably affected by the weather conditions in most sections of the country.

HELMSMAN OF THE RESOLUTE IS AN EXPERT

(By Associated Press)

New York, July 15.—Charles Francis Adams, 2nd, the man at the wheel who will try to steer the Resolute to victory in her first race in defense of the America's Cup off Sandy Hook today, is characterized by experts as the premier American yachtsman.

He has owned more than a score of yachts and has sailed nearly 100, small and large and some of these have been the best boats of their class in America and the world.

Mr. Adams is treasurer of Harvard University and a member of the corporation, a director in many companies, and in personal charge of trust estates amounting to many millions. Years ago he became known to yachting associates under the nickname of "Deacon" and some of them still call him by that name.

Born at Quincy, Mass., he came of a long line of sea-faring men and inherited a love for the sea. He is credited with calm judgment and a high type of sportsmanship. His father used to take him sailing in Boston Harbor when he was a child and by the time he was 12 years old he was winning races with his small boats. In those days he learned a lot about the tricky side of races for rules were lax.

In later years Mr. Adams built and sailed to victory many notable yachts most of which bore names composed of seven letters with a double o, such as the Pappoose, Baboon, Gossamer, Harpoon and Rooster.

WILL WELCOME U. S. CONGRESSMEN

(By Associated Press)

Shanghai, (By Mail)—Plans to extend an elaborate welcome to a party of American congressmen coming to China in July are well under way in Shanghai by order of the Peking government. The view expressed in official quarters is that this visit of the congressmen affords the first opportunity for China to express its gratitude to the United States for the stand that was taken at Washington upon the Shantung question.

According to messages received the congressional party will number 126 and will arrive in Shanghai after a stop in Hawaii the latter part of the month.

Special trains are to be placed at the disposal of the visitors through Nanking, on to Peking and to Mukden, where the members of the party will become guests of the Japanese government and will be taken on an extended sight-seeing tour through Korea and later through Japan. Everywhere, banquets, receptions, excursions of various kinds, presentations and other affairs are being arranged.

FIRST COAL FROM THE LENS MINES

Lens, France, (By Mail).—For the first time since the occupation of Lens by the Germans, coal has been brought up to the surface from one of the mines. Many of the mines are still flooded but the pumping out continues. Engineers in charge of the work express the opinion that the exploitation of the upper workings of the mines will be resumed about the middle of 1921.

The Immigrant Flood

The number of immigrants arriving at the port of New York during the last few months has broken all previous records.

By the thousands, people from Europe are seeking admission into our domain and the restrictions, wisely imposed, on immigration are making it exceedingly difficult for them to get in. As a consequence the crowds detained at Ellis Island are beyond anything the officials have ever been called upon to handle.

There are many reasons assigned for the sudden rising of the tide of immigration. The most logical is that it is, in the main, caused by foreigners who, in the years before the war, having made their independent fortunes here and returned to their native land to live a life of ease, have discovered that what once was ample to maintain them in Europe in comfort, now falls far short, owing to advanced living costs. Thousands are therefore returning to increase their wealth or have concluded to quit Europe for all time.

There is a suspicion too that large employers of labor, appalled by the prospect of increased and increasing wage scales and the decrease in effort expended and the consequent shrinking of production, have again turned to the plentiful labor supply of Europe.

Providing the immigrant hordes are properly filtered through the nation's gateway there should not be any harmful results of the increase although immigration from Europe, for some time at least, should be forbidden or markedly reduced.

We are suffering from labor shortage, especially on the farms and the new arrivals, following former habits will stop in the cities and industrial centers, releasing thousands, who have left the rural districts, and who will soon find their way back.

Well Done

While we have never changed our convictions that, considered from all of its many angles, weighing well the advantages and disadvantages which will, in all probability, follow, the equal right to exercise the elective franchise should be bestowed, by constitutional amendment, on the women of the land, yet we cannot but admire the refusal of state governors and legislatures to be driven into the adoption of the proposed federal amendment by the frantic appeals of party leaders and party candidates.

Both the republican and the democratic nominees for president have urged action by state officials who owe allegiance to the same political party which named them standard bearers. The respective campaign managers have done the same thing.

All with the purpose of strengthening their political chances and the chances of their party—as a "party measure." Thus far these urgent requests have been unheeded and rightfully so.

No matter how we here in Ohio feel about suffrage, no matter how much we desire that one more state should wheel into line and make the proposed amendment effective, it is better by far that the legislatures of the several states remain steadfastly moored to the constitutional anchors and represent their constituents rather than a political party.

The disposition of parties and candidates to make mere formal and meaningless procedure of what should be a constitutional duty, is discouraging. After all we have heard about autocratic government by federal officials we have candidates and party managers who are pledged to bring it to an end urging legislatures and governors to brush aside their duty to their constituents and action so important a matter as a constitutional amendment, as a "party measure."

If suffrage for women must go through as a "party measure"—as a vote getter—it had better fail. We must preserve, first of all, our constitutional safeguards in spirit and in fact.

POETRY FOR TODAY

OPPORTUNITY

"They do me wrong who say I come no more
When once I knock and fail to find you in;
For every day I stand outside your door
And bid you wake and rise to fight and win.

"Wall not for precious chances passed away,
Weep not for golden ages on the wane!
Each night I burn the records of the day;
At sunrise every soul is born again.

"Laugh like a boy at splendors that have fled,
To vanished joys be blind and deaf and dumb;
My judgments seal the dead past with its dead,
But never bind a moment yet to come

"Though deep in mire wring not your hands and weep;
I lend my arm to all who say, 'I can!'
No shame-faced outcast ever sank so deep
But yet might rise and be again a man!

"Art thou a mourner? Rise thee from thy spell
Art thou a sinner? Sins may be forgiven.
Each morning gives thee wings to flee from hell,
Each night a star to guide thy feet to heaven."

—Walter Malone.

DAYTON HAS A BOOSTER

F. W. Whitcomb Tells How Nerv-Worth Restored His Health in a Remarkably Short Time. And Gladly Recommends it to Others.

"My digestion was in bad condition," said Mr. Whitcomb. "Gas would form in my stomach, and I bloated badly. I couldn't get sleep until I had a few hours battle with my nerves, for my nervous system was in such a condition that when I would fall asleep would jump up awake. I would feel a smothering sensation and was greatly alarmed. Was weak and languid, and losing my strength and vigor. I got a bottle of Nerv-Worth and soon felt a change coming over me. My nerves got strong and steady, no more trouble to get to sleep, my stomach and digestion are now alright, and gas no longer forms. It surprised me how Nerv-Worth quickly put me right up to my usual health and strong condition." Mr. Whitcomb is another of the thousands of Daytonians who have received unexpected results from Nerv-Worth. He was a doubted, but Nerv-Worth soon convinced him of its great merit. If you suffer, and have been doubting, hesitate no longer, but let Nerv-Worth help you regain your health. You'll be surprised how quickly you get the desired results. Buy a bottle today at any of the Jenkins drug stores, or take advantage of the opportunity to talk with the Nerv-Worth specialist at the Jenkins store, corner Fifth and Ludlow. Nerv-Worth is sold on a money back guarantee by leading druggists everywhere. Your neighborhood druggist undoubtedly has Nerv-Worth in stock. Get a bottle to day.

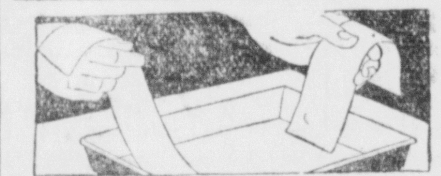

Sold on a money back guarantee by Brown's Drug Store, Christopher's Drug Store and all leading druggists everywhere.—Advt.

This Miller
Cord Tire

22,000 Miles
On a Heavy Truck

22,000-Mile Tread And Why They Are Exceptions

Worn Miller Tires are often exhibited with some sign like above.

Countless letters also reach us telling such mileage tales.

These are very pleasing. But we don't want users in general to expect miracles from Millers.

Service to Expect

Expect from Millers greater service than from any like-type tire. And 19 times in 20 you will get it.

Expect it to outserve any tire you put opposite, and it almost invariably will. Expect twice the mileage tires gave a few years ago, and they will doubtless do still better.

Expect tread wear 25 per cent better than from others and you'll not be disappointed.

But don't expect that Millers, under all conditions, can match some exceptional mileage.

Why Mileage Varies

A Cord Tire gives vastly greater service than a Fabric Tire.

An oversize tire will vastly excel a tire that is undersize. Care, load and roads affect tire service greatly.

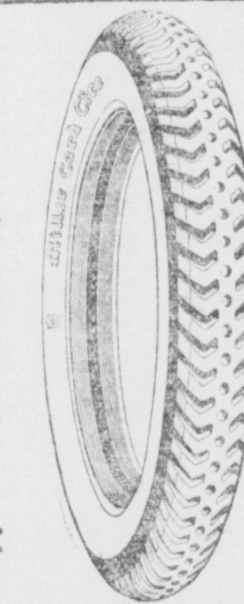

Millers are uniform tires. That is a major reason for their supremacy. But uniform tires will vary with conditions.

Tread Patented

Center Tread smooth with suction cup, for firm hold on wet asphalt. Geared-to-the-Road side treads, mesh like cogs in dirt.

With 3-Ton Loads

Miller Cord Tires were tested by Ray C. Carpenter on a 22-passenger bus, averaging a 3-ton load each trip. The first tire on a rear wheel ran 23,700 miles without a blow-out, and was never removed from the wheel. The second was punctured by railroad spike at 5,000 miles, but when repaired ran 12,000 miles more without a blow-out. On a front wheel the Miller ran 22,000 miles without a blow-out. All were passenger-type tires.

What Our Tests Show

We run tires at our factory ten million miles a year to make these service tests.

•These are radical tests. Tires are run constantly, night and day, and under heavy load. We want quick comparisons.

On our testing machines Miller Cords average 15,000 miles, and Fabrics about half that.

But these are not mileage records. We are running Miller Tires against high-grade rivals to prove that Millers last best.

Be Satisfied With This

You will get on a Miller an exceptional tread. It is by 25 per cent the best tread made.

Not one Miller Tire, made under present methods, has ever come back with the tread gone.

You will get uniform tires. Every Miller Tire is signed, both by maker and inspector. Every man knows that a faulty tire means a penalty for him. And faults are extremely rare.

You will get greater mileage than from any tire you put on the opposite wheel. That is so nearly universal that we will stake your favor on any single test.

But you will get the best tire built today. There are hundreds of thousands who know that.

When you buy a new car insist on Miller Tires. Twenty car makers now supply them and there is no extra charge.

RANDOM NOTES

SOCIAL : PERSONAL MENTION : CLUBS

The society column of the "Virginia Pilot," carried the following news, which will both surprise and interest numerous relatives and friends in this city.

Mr. and Mrs. Edwin D. Pine have announced the marriage of their younger daughter, Miss Lucy Edna Pine, to Mr. Leon Herbert Rathbun, eldest son of Mr. and Mrs. H. M. Rathbun, of Watertown, N. Y.

The marriage, which took place early in the springtime, was quietly performed in St. Paul's Episcopal church, Norfolk, the rector, Rev. H. H. Covington, D. D. officiating, with only the bride's sister, Miss Pauline Pine, as attendant, and which both bride and groom preferred to keep secret until the present time. Mrs. Rathbun is the daughter of Mr. and Mrs. Ed D. Pine, formerly of Washington C. H., Ohio, and has resided in Port Norfolk for several years. She is very talented, especially in musical lines, and was very active in war work, giving much time and talent for the entertainment of enlisted men of the service.

Mr. Rathbun, whose parental home is at Watertown, New York, holds a responsible position with the F. S. Royster Co., of Norfolk, with which he has been connected since his discharge from the government service. Mr. and Mrs. Rathbun will leave this week for about a month's trip, including a visit to the bridegroom's home at Watertown, N. Y., through the Cascade mountains and to Thousand Islands where the groom's parents have a summer home, returning via New York and Washington, D. C., and upon their return they will be at home with the bride's parents, at 104 Chautauqua avenue.

The marriage was announced on Saturday afternoon at a pretty luncheon given by Mrs. Pine, assisted by Miss Pauline Pine, at their home in Chautauqua avenue in compliment to the recent bride and her friends. The dining room was prettily arranged and adorned with pink roses, and covers were laid for fourteen.

An interesting feature in connection with the wedding was that the ceremony was performed in one of the oldest churches in America and contains a cannon ball in its steeple, fired by Lord Dunmore in the Revolutionary war.

Mrs. George A. Robinson is giving a tea Friday afternoon in compliment to her sister, Mrs. J. Ward Holman.

Mrs. George H. Hitchcock gave an

in formal little out door tea Wednesday afternoon, in honor of Mrs. Herbert B. Maynard and Miss Mayme Frisbie, of New Albany, Ind.

The little group of women assembled was confined to special friends of the honor guests, who found the congenial visiting on the lawn, and the dainty appointments of the tea full of pleasure.

Assisting in the hospitalities were Mrs. David S. Craig, Mrs. Joseph H. Harper, Misses Marie Hegler and Elizabeth Johnson.

Additional out of town guests were Mrs. William W. Westerfield, of New Orleans, Mrs. Sidney Knight, of Columbus and Mrs. Conrad, of Newark.

In compliment to the seventy-fifth birthday of their father Supt. George W. Gossard Sr., Miss Josephine Gossard and Mr. Charles A. Gossard extended the hospitality of their home at a six o'clock dinner Wednesday night.

It was a most delightful family dinner, with a shower of congratulations to the honor guest the sauce for the delicious menu, and a beautiful birthday cake ablaze with pink candles in the center of the pretty table.

Those who participated were Mr. George Gossard Jr. and family, of Springfield, Mr. Clarence F. Ponsyl and family, Mr. A. Clark Gossard and wife, Mr. J. H. Gossard a brother, and family, of Jeffersonville; Mr. and Mrs. Vere Foster, Mr. Charles Lowry and family, of Sedalia.

Mrs. C. C. Pavey, Columbus, president of the Ohio Harding for President Woman's Club, has called a meeting for Friday morning, at 10 o'clock, in the Senate chamber, at which are expected members from various section of the state, to arrange for attendance at the notification ceremonies at Marion, July 22.

Mrs. J. G. Battelle, Columbus and Mrs. Robert Patterson, Dayton, are vice-presidents of the organization, and Mrs. Edwin E. K. McClain, Greenfield, Mrs. James Hopley, Bucyrus, Mrs. Mark Selby, Portsmouth, and Mrs. John Todd, Columbus, directors.

The meeting will not be confined to members of the club, but all women of all parties interested in the success of Senator Harding and Governor Coolidge are urged to be present.

Mrs. Grover Taylor gave a beautiful birthday party Wednesday afternoon from the hours of three to five

o'clock honoring her older daughter Mary Josephine and her thirteenth birthday.

It was a lawn party, the young girls in their party frocks with colored bows making an attractive picture as they gathered around the pretty hostess, who in happy little speeches thanked them for their lovely gifts.

In a lively contest, Serepta Minshall won the prize, and was awarded a fancy jar of candy. Games were also enjoyed.

The girls were seated for refreshments around a small table on which rested a large birthday cake with pink candles.

Assisting Mrs. Taylor were Mary Josephine's grandmother, Mrs. Joseph Pratt, and Mrs. Frank Snyder and Mrs. Will D. Chaney.

The guests included: Elizabeth Bennett, Evelyn Engle, Georgia Prue Chapman, Juanita Gerstner, Serepta Minshall Genevieve Price, Helen Rodacker, Helen Sunkle, Charlene Mark, Edith Wilson, Alice Shrock, Frances Hall, Janet Whelpley, Lillian Teeters, Ernest O. Snyder, Rebecca Jane Ruley, Anna Lee Taylor, Marjorie Sparks and guest Helen Matthews of Sabina.

Mrs. Will Summers delightfully entertained a dozen children, Wednesday afternoon, honoring Mr. Summer's ten year old niece Nina Elizabeth Summers of Jackson, who is visiting at the Summers home and Carolyn Summers, the four year old daughter of Mr. and Mrs. Will Summers.

After a round of merry games and dancing to Grafanola music, the young guests were seated at tables on the porch for the refreshments.

A pretty Japanese bowl of Fodge were filled with nasturtiums adorned the table at which was Nina Elizabeth and her guests, Juanita Gerstner Ruth Sheppard, Georgia Prue Chapman, Dorothy Donahoe, Dorothy Sparks, Jean Michael and Louise Fenner.

Charles and Susan Sheppard, Eleanor Allen, Rogers Barney, and Shirley Summers were Carolyn's guests at the other table.

Mrs. J. E. Sheppard assisted Mrs. Summers in entertaining the children.

Messrs. Richard Haynes, Charles Pabb, William Henry Edwards, Arnold Shoop, Richard and Willis H. Willis, Walter Weaver, Joseph Wilson, John Browning Mallow Hall, M. Grove Davis, Willard Perrell, Ira Barchet, and Thomas Rogers of Wilmington were hosts at a very jolly picnic at the "Ridge," Wednesday evening.

The picnic spread was pronounced the "best ever," with every home made picnic delicacy that the culinary skill of the boys' mothers could prepare.

The favored guests were: Miss Helen Maynard, of Waterloo Ia. Miss Adeline Haines of Greenfield Misses Helen Durant, Virginia Campbell, Dorothy Dick, Helen McKee, Eleanor Jones, Elizabeth McDonald, Maxine Kibbler, Mary Hanna Bliss, Florence Bliss Doris Willis, Florence Schadel and Beota Haines.

Mr. and Mrs. Carl Mitchem have gone to housekeeping in the Thompson property on West Market street.

Mr. and Mrs. Walter W. Hamilton chaperoned Misses Virginia, Ellices, Mildred Todhunter, Mabel Sunkle and Wilma Dale; Frank Hamilton, Warren Baker, Ervin Van Winkle and Roy Slagle of Lima on a motoring trip to Oientangy park at Columbus, Wednesday.

Mrs. Richard Ramsey and daughter Jane, of Columbus are visiting Mrs. Ramsey's parents, Mr. and Mrs. W. A. Tharp.

Mrs. Walter E. Button, of Frankfort spent Tuesday with her mother Mrs. John A. Paul.

Mrs. E. L. Freyman and daughter, Elsie May left Thursday morning for Portville, N. Y. for a several weeks visit with relatives and friends.

Dr. E. Adelyn Ellis of St. Petersburg, Fla., who has been visiting her sister Mrs. A. L. Moore and family on the Chillicothe pike for a week left Thursday morning for Yellow Stone National Park.

Miss Jean Palmer arrived home Wednesday evening, from Chicago, where she has been visiting her aunt Mrs. Rufus C. Dawes for the past six months.

Rev. C. R. Ferguson wife and baby left the first of the week for Independence, Ia., to spend three weeks with Mrs. Ferguson's mother.

Roy Slagle of Lima is visiting his mother Mrs. Daisy Slagle.

SHE HOLDS HIGHEST NURSES' DECORATION

Miss Martha M. Russell.

Miss Martha M. Russell of Boulder, Colo., who was first representative of the American Red Cross nursing in France in July, 1917, to organize activities there, is one of the six American women who have been awarded the Florence Nightingale medal. This medal, the highest decoration in the nursing world, can be awarded to one nurse of any nation annually. Only six American nurses have thus far been honored.

Mrs. Frances Ford (nee Frances Ward) of Connessville, Ind., is visiting her aunt, Mrs. Thomas Cullen of this city.

Mr. and Mrs. A. D. Moore have been entertaining for the past few days Mr. and Mrs. Cad Putman of Van Wert and Mrs. Viola Worlidge of Ada.

Mr. F. L. Fraser, General Secretary of the Y. M. C. A., is spending the week in a motoring trip through the southern and eastern part of the state. He will deliver the sermon in a church in Newark, Sunday morning.

Notification Speech—Hon. Henry Cabot Lodge.

Acceptance Speech—Senator Warren G. Harding.

Singing of America by the assembly and the Ohio Glee Club.

Benediction—Rev. Father Joseph Denning, St. Marys Church, Marion, Ohio.

TWO HUNDRED HOLD PICNIC IN DAYTON

More than two hundred members of the M. E. Sunday School of Jeffersonville motored to Dayton Wednesday morning where the annual Sunday School picnic was held at the Soldiers' Home and where also a good part of the day's activities was devoted to a merry party at Lake Side Park.

Early Wednesday morning almost forty automobile loads of people, old and young assembled in Jeffersonville from where the start was made. In each car there was a bulging basket and at the noon hour these were removed and a picnic feast resulted.

Rev. W. H. Mitchell, pastor of the M. E. church of Jeffersonville, had charge of the party, assisted by Superintendent of the Sunday School G. S. Threlkeld.

ASPHALT IS LAID ON SOUTH NORTH

Thursday morning the Andrews Asphalt Paving Company began spreading asphalt on So. North street at the East street intersection and by afternoon a strip several hundred feet in length had been "rolled."

The Andrews people state that they will probably be two days on the So. North street stretch and that the scene of activity will then be transferred to the up-town sections. All machinery is on hand and things are moving off in good shape.

Saturday Afternoon

At 3:30 o'clock Saturday afternoon of this week, in front of the Court House in Washington C. H., a demonstration of the working of the Climax Compression Inner Tube, which automatically seals punctures, will be made. All automobile owners are interested.

A moving picture machine will be in operation at the time and make a picture of Mayor V. J. Dahl, Chief of Police Moore and other city and county officials and well known citizens, showing them in the act of driving nails into an automobile tire fitted with a Climax Compression Inner Tube. Later on this picture will be shown at a local picture house.

Thus those present will see how moving pictures are made, and also witness the Climax Compression Inner Tube take care of punctures without loss of air.

All are invited to witness this free demonstration, which will be made by Columbus men.

FUNERAL SERVICES MRS. WILLIAM GIBSON

Funeral services for Mrs. William Gibson will be held Friday afternoon at two o'clock at the home of the daughter, Mrs. Miller Mintern, on So. Main street. Burial will be made in the Bloomingburg cemetery.

NOTICE

The Loyal Daughters of the Christian Church will hold their regular monthly meeting at the church, Friday, July 14th, at seven o'clock.

THE GENERAL STORE AT CENTERVILLE RECEIVES THE NEW RECORD OF HARDING'S FIRST PHONOGRAPHIC CAMPAIGN SPEECH.

FRENCH AERIAL PLANS ARE MADE

Paris. (By Mail)—France, whose was aerial force in men and materials, has been allowed to disintegrate. It is determined to win a big place in commercial aviation. P. E. Flandrin, aviation under-secretary told the chamber of deputies when it voted 300,000,000 francs for civil and military air service.

The development of the all-metal airplanes, he suggested, is one of the most important things being sought and he said German attempt along this line "seem to me more dangerous than any clandestine deposits of war materials."

M. Flandrin told of typical flights in other nations, such as the New York to San Francisco race and the

American postal routes and then reported that the Paris-London air-planes covered 120,000 miles carrying 803 passengers on 513 flights during the period from last September 1 to March 1, when winter atmospheric condition are bad. On only seven per cent of the trips was there more than an hour's delay and only one accident, in which an American passenger was killed.

The progress of aviation during the war, M. Flandrin said raised air-planes flight speed from 78 to 148 miles an hour; lowered the time for reaching altitudes by five fifths; increased the power from 100 to 1000 horse-power; multiplied the carrying capacity by more than six; and quadrupled the flight range.

"Maintenance of way" of the London-Paris airline, he said comprising hangers, landing stations, meteorological stations, etc., cost 33,000 francs

a mile but can be cut in half as a result of the experienced gained.

LENINE GIVES OUT INTERVIEW ON HIS TROUBLES

Tokio. (By Mail)—Nikolai Lenine, Soviet Premier of Russia, asserts that the most important problem confronting the Soviet government today is how to harmonize capitalism and socialism. He made that statement in an interview in Moscow with the correspondent of the Nichi-Nichi. The correspondent quotes him as saying: "For that purpose, the Soviet drew up a special understanding which was made public in America some time ago. Some of the Powers mis- took the concessions made as a sign

of weakness and dispatched expeditionary forces to Russia. The result was a complete failure on their part, financially, militarily and morally."

He admitted that there were yet many difficulties to be overcome before the Soviet government was established on a solid basis but he believed that the hardest portion of the work had been already accomplished.

"I took Russia," he said, "no fewer than 30 years to pass from feudalism to capitalism. There is nothing extraordinary in that. Old systems may be overthrown in a day but it takes a long period to erect a new one. In fact, the longer the period involved the surer will be the basis of reconstruction."

"The development of a state," Lenine declared, "depends very much upon the education of the rising generation and it is the policy of the Russian Soviet to pay every possible attention to the training of the youthful mind."

CLEMENCEAU PAYS NO HEED

Paris. (By Mail)—That Georges Clemenceau, the former premier has definitely withdrawn from active politics and worries little about criticisms levelled at him by enemies of his regime and of the Versailles Treaty, was shown the other day when the correspondent of The Associated Press called on him to obtain his reply to the taunts of his adversaries in the Chamber of Deputies to the effect that he did not know where Mosul (Turkey) was located when he ceded it to Great Britain.

"These professors of geography who are criticizing me," replied the former Premier, "would be greatly embarrassed if some one would ask them the location of a town of that size in their own circumscriptions." M. Clemenceau was engaged in the task of putting the finishing touches on the first draft of a novel dealing with Egyptian life, said he was through with politics forever. "My task is finished, I have done my work," he told the correspondent.

The statesman, now entering his 80th year, looked hale and vigorous and in better health than he has been since the attempt upon his life by Emile Cottin.

TO SEND JEWELRY BY AIRPLANES

Geneva, Switzerland. (By Mail)—Watches and jewelry are to be transported to Paris by a newly established aerial service and from Paris to London by the present commercial air line, to avoid the troublesome delays of the present rail service. A

syndicate of the principal manufacturers has been formed at Chaux de Fonds, the seat of the industry to handle the air shipments. It is expected ten days will be saved by this method and the cost will be slight, in proportion to the value of the freight.

All shipments were decided upon largely because of American buyers' insistence upon prompt delivery.

MONSTER FISH FOSSIL FOUND

Salt Lake City, July 15.—A monster petrified fish, about 50 feet in length, has been discovered encased in the rocks in Garfield county, Utah, about 70 miles east of Panguitch by Sheriff James Goulding, Garfield county and T. W. Smith, of Salt Lake, who have been prospecting in that section.

Four years ago at practically the same spot the fossil remains of a giant lizard were found. Goulding and Smith have offered their find to the University of Utah.

CHILDLESS WOMEN

Please Read This Letter And See What Normal Health Will Do For You.

Lancaster, Pa.—"I was weak and run down, had pains in my head, back and stomach all the time, and bearing down pains. I had used Lydia E. Pinkham's Vegetable Compound and it helped me, so my mother got me to try it again, and I am now feeling better than I have for years. We were married sixteen years and had no children, but now we have a fine big boy and we always call him our 'Pinkham' boy. The doctor was afraid of my case as I was 41 years old when the boy was born, but I came through all right. You can use this as a testimonial if you wish and I will certainly write to any one who writes to me about it." —Mrs. MARGARET G. HAVERCAMP, 529 Howard Avenue, Lancaster, Pa.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence. For sale by Blackmer & Tanquary.

Diamond Squeegee Tread TIRES

Our Diamond Dealer writes:

"When we sell a man a Diamond Tire, we eventually sell him the rest of the set."

No car owner "repeats" on a tire unless it has given better service than the other tires used.

We Make Old Furniture New

by upholstering it in leather, velour, or any other desired material. We do more, however, than just re-cover the furniture. We practically rebuild the chairs, davenport or other article, making them to all intents and purposes actually new. We shall be glad to call and give you an estimate.

BRINGING UP FATHER

(Copyrighted, 1920, by International News Service)

BY GEORGE MCMANUS

WHAT'S THE MATTER? YOU LOOK SAD ENOUGH TO BE A MARRIED MAN.

IT'S WORSE THAN THAT. JIGG.

GOOD GRACIOUS. IS IT POSSIBLE?

DO YOU REMEMBER THE POEM I WROTE LAST WEEK?

I SHOULD SAY I DO. I'LL NEVER FORGET IT.

WELL—MY SISTER HAD HER FOUR YEAR OLD DAUGHTER OVER HERE YESTERDAY AND SHE TORE IT UP!

BY GOLLY! I DIDN'T KNOW THAT KID COULD READ!
